Read the article and do the activities below

(1 point each)

1- Complete the questions in the article with a verb in the box below

using the past simple tense

cry	go	go	smoke
-----	----	----	-------

**First times, Last times**

Ben Silverstone in *The Browning Version*.

This week our interview is with Ben Silverstone, a young actor with a great future. His films include *The Browning Version*, *Lolita*, and *Get Real*.

2- Are the following sentences true or false?

- a- On his first date he went to a fast food restaurant .....
- b- He was inside a house when he had his first cigarette .....
- c- He didn't cry at the end of *Dead Poet's Society* .....
- d- The barbecue was not possible because the weather was not good. ....

	<b>8</b>
--	----------

1 **When was the first time you went out with a girl?**

When I was 12. I took a girl from school to the cinema and then to McDonald's – very romantic! But I didn't have a serious girlfriend until I was 18.

2 **When was the first time you \_\_\_\_\_ a cigarette?**

When I was 14. I was in a film called *The Browning Version*. One night after we finished filming I sat with some of the other young actors on the roof of our hotel and I had my first cigarette under the stars. I didn't really enjoy it because I was frightened of falling off the roof.

3 **When was the last time you \_\_\_\_\_ in the cinema?**

A long time ago! I don't remember the film. But I remember seeing *Dead Poets' Society* with my father when I was about ten. I thought I was very adult because I didn't cry at the end. Then I looked at my father and he was crying! Very confusing when you're ten years old.

4 **When was the last time you \_\_\_\_\_ to a party?**

Last Saturday. It was a barbecue. When summer comes, the English love barbecues in the sun. But as usual it rained, and in the end we ate hamburgers and sausages in the kitchen.

**GRAMMAR**
